## Developing Small Farm Enterprises

April 13 & 20

**Early Registration Deadline**  
**April 1, 2011**

THE UNIVERSITY of TENNESSEE **UT**  
INSTITUTE of AGRICULTURE

## Developing Small Farm Enterprises Workshop

A two-session course on successfully Developing Small Farm Enterprises will be offered by University of Tennessee Extension.

This program is directed towards owners and potential owners of small acreages who desire information on how to best utilize their land resources.

Workshop topics will address issues such as skill assessment, soil fertility and suitability, enterprise selection, farm planning, direct marketing, regulations and legal considerations and production methods.

Each participant will receive a notebook and flash drive containing workshop presentations and resource materials, and one complementary soil analysis from the UT soil lab.

Enrollment is limited, so register early to assure your space.
